Group	Number
American Indian/Alaskan Natives	609
Asian/Pacific Islander	512
Black	300
Hispanic	7,757
White	12,381

History of RTI

- RTI has been piloted in Idaho by the Idaho Department of Education since 1999.
- RTI initially was a Special Education initiative, with training provided to schools by the state.

Current RTI Initiatives

- Ongoing training provided to schools, (currently ~200 schools have received training).
- Moving RTI from Special Education to General Education by involving all stakeholders in the RTI Working Group and the RTI Leadership Team.
- Creating a mind map and planning next steps for the upcoming years.
- Planning to hold training focused on RTI implementation in secondary schools late next summer (tentative).

Featured Resources

- Mind map
- State Leadership e-mail list

Regional Comprehensive Center Involvement

- The NWRCC assists with planning for large-scale implementation and rollout of RTI.

Looking Forward

- IDE's goals for statewide RTI implementation:
    - Realign the leadership team,
    - Establish the statewide model, and
    - Establish Professional Development needs
